Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2019-2021 E-Class vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

In certain MY 2019-2021 E-Class vehicles, the mechanical seat adjustment range limitation for the front passenger seat might not have been installed. In the event of a missing mechanical seat adjustment range limit stop, the position of the front passenger seat in relation to the airbag might deviate from the acceptable range, which could increase the risk of injury in the event of a crash with airbag deployment.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will check the mechanical seat adjustment range limitation for the front passenger seat on the affected vehicles and install it if it is missing. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than **one hour**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle which may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.MBUSA.com/recall. **Please mention you are scheduling an appointment to check the adjustment range limitation of the passenger seat under Recall Campaign # 2020110013.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Impacts from COVID-19: Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free Mobile Repair** at your home or business as well as vehicle pick-up and delivery may be available.
