IMPORTANT SAFETY RECALL

This notice applies to your vehicle: «VIN»

«Owner_name»
«Street»
«City», «State» «Zip»

Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Thor Motor Coach (TMC) has decided that a defect which relates to motor vehicle safety exists in certain model year 2010-2011 Four Winds Montecito motorhomes. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been discovered that certain model year 2010-2011 Four Winds Montecito motorhomes were equipped with an Iota ITS-50R Transfer Switch which may be experiencing heat related failures when exposed to elevated electrical loads associated with RV use in higher ambient temperatures. The connections at the buss bar inside of the switch are not adequate, resulting in elevated operating temperatures. This potentially could result in a fire. In the event of a fire, there is a potential for property damage, personal injury or death.

***What we
will do***

TMC has contacted your selling dealer and has instructed them to replace your transfer switch as needed. This will be done at no cost to you the owner. The remedy should take up to sixty (60) minutes to perform.

***What we need
you to do***

At your earliest convenience, please contact your dealer and schedule an appointment to have this remedy completed.
