NHTSA RECALL 20V-685

Dear Nissan Altima Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in some 2020 model year Nissan Altima vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall
Motivo del Retiro

During manufacturing, the tires on your 2020 Altima vehicle may have been over cured. As a result, the affected tires may experience a rupture in the sidewall without warning, leading to sudden air loss. Additionally, the tires could develop a belt edge separation that could lead to a partial or full tread/belt loss. Both conditions can increase the risk of injury or a crash.

What Nissan Will Do
Qué Hará Nissan

Dealers will inspect all four (4) tires and, if necessary, replace any that are found with the suspect Department of Transportation (DOT) number and mold number provided by the tire manufacturer. Your vehicle may require anywhere from zero to four tires to be replaced.

This free service could take up to two (2) hours to complete, depending on number of tires requiring replacement, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.
