

SAFETY RECALL # 20V-757

To: All Grand Design RV Dealers

February 5th, 2021

Dometic Corporation has determined that a defect which relates to motor vehicle safety may exist with the 3-burner cooktop/range installed in certain Grand Design recreational vehicles. As the final stage manufacturer, Grand Design RV is sending you this recall notice.

The defect involves **2020 Transcend Travel Trailers manufactured between December 5, 2019 and January 13, 2020**. The **VIN range** of affected units is:

573TT2720L8806832 to 573TT2720L8807236 (non-sequential)

Grand Design installed a Dometic model 3-burner cooktop/range that is affected by this recall in certain 2020 Transcend Travel Trailers. According to Dometic, on affected models a gas leak may occur at the joint between the gas saddle valve for the burners and the manifold under the burner surface. If a gas leak were to occur the potential exists for a fire.

Owners of affected vehicles will be notified of this recall by mail from Grand Design RV. A copy of the Owner Notification Letter is attached to this Notification Letter for your reference. Also attached is a list of your retail sold and stock units affected by this recall. Finally, please find attached the repair and claim filing instructions associated with this recall action.

Please be reminded that it is a violation of Federal Law for you to sell or lease the products covered by this notification until the necessary repairs have been performed. Substantial civil penalties apply to violations of this law. Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact Grand Design Technical Support at 574-825-6264 or 888-825-2820 and select the phone prompt for "Recall".
