Subject: Valve has Shuttle Cartridge not Plug

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
ALTEC/AERIAL DEVICE/2020

Mfr's Report Date: December 11, 2020

NHTSA Campaign Number: 20V-777

Components:
EQUIPMENT

Potential Number of Units Affected: 183

Problem Description:

Altec Industries, Inc. (Altec) is recalling certain 2020 AN67-E100 articulating non-overcenter aerial device vehicles. The boom valve has a shuttle cartridge installed instead of a plug.

Consequence:

The valve not having a plug could result in unintended boom movement, increasing the risk of an injury.

Remedy:

Altec will notify owners and Parker Hannifan Corporation will provide a replacement plug, free of charge. The recall is expected to begin on February 4, 2021. Owners may contact Altec customer service at 1-877-462-5832. Altec's number for this recall is CSN 789.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Joshua Neff
