Ms. Rice,

On the subject recall, 20V-787, no owner notification publications were released.

All vehicles within this recall campaign were repaired prior to the required timeline of owner letters (due February 13, 2021). An ICI letter was published to the dealers with repair instructions to update the WABCO ECU. All repairs were completed by DTNA, at an authorized dealer location, between December 2020 through January 22, 2021.

Please contact me if you have any questions.

Sincerely,

Larissa Stoffels
