Identification of Any Warning that can Occur : NR

Involved Components :

Component Name : NR

Component Description : NR

Component Part Number : NR

Supplier Identification :**Component Manufacturer**

Name : Zhongshan YishidaGuangdian Tech Co., Ltd

Address : No.16 Gongye road, first industrial zone
Tanzhou Zhen Zhongshan Foreign States

Country : China

Chronology :

On or about Feb 09, 2021, NHTSA informed Shenzhenshi Axi Technology Co., Ltd that, based the test results obtained by NHTSA of the led headlight bulbs(F3-H11), certain deficiencies were noted which constituted possible noncompliances with FMVSS No. 108. After we were notified of violations, we have stopped selling the products and have been actively cooperating with NHTSA's investigation and provide the information and sales data required by NHTSA.

Description of Remedy :

Description of Remedy Program : We offer replacements, free of charge, each led bulb customer purchased in the United Sates with a halogen bulb that complies with the requirements of FMVSS 108.

How Remedy Component Differs from Recalled Component : The replacement bulb is halogen headlight bulbs which comply with the requirements of FMVSS 108.

Identify How/When Recall Condition was Corrected in Production : Please write an email to service@oxilam.com to get a replacement bulb. You will need to provide an original order number, receipt or other proof of purchase in the email. The remedy is available immediately after the recall posted.

Recall Schedule :

Description of Recall Schedule : NR

Planned Dealer Notification Date : JUL 12, 2021 - AUG 31, 2021

Planned Owner Notification Date : JUL 12, 2021 - AUG 31, 2021
