## **IMPORTANT SAFETY RECALL: 21V-099**

### **Reyco Granning Independent Front Suspension Steering Gear Mount Bolts**

**This notice applies to your vehicle VIN: X**

**UNIT: 1xxxxx**

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

E-ONE has decided that a defect which relates to motor vehicle safety exists in certain models of the following emergency vehicles manufactured January 2020 to February 2021, equipped with Reyco Granning Independent Front Suspension Steering Gear Mount Bolts:

#### **E-ONE – 2020 Cyclone 2, Typhoon , Typhoon N**

##### **WHY IS A RECALL BEING CONDUCTED?**

Reyco Granning has learned that Independent Front Suspension (IFS) modules manufactured during the affected timeframe could have Steering Gear Mounting bolts that may become loose. As these fasteners loosen, the performance of the steering system will degrade as the steering gear box is no longer clamped firmly to its mounting plate.

On certain IFS modules manufactured by Reyco Granning during the affected timeframe could have Steering Gear Mounting bolts that may become loose. As these fasteners loosen, the performance of the steering system will degrade as the steering gear box is no longer clamped firmly to its mounting plate. This results in vagueness of steering, vehicle wandering, and potentially limited steering motion as the bolts continue to back out and may come into contact with other portions of the steering mechanism such as the pitman arm. This condition could result in a vehicle crash. Vagueness of steering, vehicle wandering may occur. There was no cause provided.

The affected item is the Reyco Granning Independent Front Suspension Steering Gear Mount Bolts.

##### **WHAT ARE WE DOING ABOUT THE PROBLEM?**

Reyco Granning will perform the inspection and repair effort as set forth in their Service Bulletin and is ready to begin that support immediately. It will take approximately 1.5 manhours to repair.

##### **WHAT SHOULD YOU DO?**

If you receive this notification, please contact your E-ONE Dealer or E-ONE at 1-352-237-1122 to schedule an appointment to have the repairs performed.

REV GROUP
