Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2021 GLA-Class vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

On certain MY 2021 GLA-Class vehicles, the electrical ground connection for the front passenger airbag might not meet current production specifications which could result in an inadvertent deployment of the passenger airbag. Additionally, if a child seat is installed on the front passenger seat with the passenger airbag correctly deactivated, an inadvertent deployment of the passenger airbag could still occur. Such inadvertent deployment of the passenger airbag could increase the risk of a crash, or could increase the risk of injury to an occupant seated in the front passenger seat.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will check the ground connection for the passenger airbag on the affected vehicles and repair it, if necessary. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than **1 hour**, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

To locate authorized dealers see www.MBUSA.com/recall. **Please mention you are scheduling an appointment to check the ground connection for the passenger airbag under Recall Campaign # 2021020037.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Impacts from COVID-19: Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC. **Free** Mobile Repair at your home or business as well as vehicle pick-up and delivery may be available.
