Re: NHTSA 21V106-Replace Seat Frame Base

This letter follows up on our previous correspondence dated May 7, 2021 regarding the subject matter. As requested by Michelle Rice on May 6, 2021, this letter hereby affirms that the Sprinter van (VIN W1WV0), under NHTSA recall campaign 21V106-*Replace Seat Frame Base*, had the recall repair completed on May 13th, 2021.

Please contact Anthony Washington at Anthony.Washington@MBUSA.com should you have any questions or require additional information.

Thank You
Sincerely,
