

IMPORTANT SAFETY RECALL

This notice applies to your trailer, **VIN:**

Dear Black Series Trailer Inc. Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Black Series Camper Inc. has decided that a defect which relates to your trailer safety exists in certain 2019 – 2020 model year . Black Series Camper Inc. recently discovered that certain CURT Emergency Breakaway Kits have had malfunctions when the emergency breakaway pin/clip is pulled and is not replaced, the small battery (CURT) continuously drains until it is depleted. As a result, BSC is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your trailer is involved in Black Series Camper recall **21V-116**.
- Schedule an appointment with your RV dealer or authorized service center.
- This service will be performed for you by an authorized technician or service center.
- The recall will be completed free of charge to the customer.

In cooperation with the National Highway Traffic Safety Administration (NHTSA) we recommend that you check your vehicle identification number and check with Black Series Camper Inc. (833) 822-6737 or at NHTSA's website (<https://vinrcl.safercar.gov/vin/>), where you can find out the most up-to-date recall information for your trailer.

Why is your trailer being recalled?

When the small breakaway battery (CURT) is depleted, the emergency brake system draws through the charger from the main battery. The total assumed draw is around 10amps – 12amps. The charger is rated around 5amps. This causes an overload which could lead to a fire.

What will we do?

Black Series Camper Inc. will supply the updated components. BSC will pay/reimburse an authorized technician or service center for the labor of the replacement. BSC will reimburse the value of the part and the labor of the authorized technician or service center if the component has been replaced.

What should you do?

You should contact your Black Series Camper dealer to arrange a service appointment as soon as possible.

In the event that you have had the repairs completed prior to this recall, you would need to forward a copy of the receipt and/or invoice of the repairs done to **Warranty@blackseriescamper.com** or mail the copies to **Black Series Camper Inc 19501 E. Walnut Drive South, City of Industry, CA 91748** for reimbursement. Black Series Camper Inc will issue a company check upon confirmation of receipt and/or invoice.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact Black Series Camper Inc. Warranty Department at (833) 822-6737.

If after contacting your dealer and the BSC Warranty Department, you are still not satisfied that we have done our best to remedy this condition within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is **21V-116**.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
