

# Recall 006G Dealer Best Practice

Date: June 3, 2021

Attn: Dealer Principal/General Manager/Service Manager/Parts Manager

Subject: Recall 006G: 2017-18 Genesis G80 (DH) Anti-Lock Brake System (“ABS”) Module – Remedy Available (TSB# 21-01-033HG)

Updates To This Document	Date
<ul style="list-style-type: none"> <li>Update TSB# 21-01-033HG</li> </ul>	6/3/21

**\*\*\* IMPORTANT Retail Vehicles \*\*\***

Dealers must perform this Recall Campaign whenever an affected vehicle is in the shop for any maintenance or repair.

When a vehicle arrives at the Service Department, access Hyundai/Genesis Motor America’s “Warranty Vehicle Information Screen (VIS)” via WEBDCS to identify open Campaigns.

### Affected Vehicles

Certain 17-18MY G80 (DH) vehicles produced from March 17, 2016 to April 30, 2018.

### Description

Hyundai/Genesis Motor America is conducting a safety recall in the United States to address a condition with the Anti-Lock Brake System (“ABS”) modules in certain 2017-18MY Genesis G80 vehicles. An electrical short in the hydraulic electronic control unit (HECU) may increase the risk of an engine compartment fire.

Hyundai/Genesis Motor America is initiating this action to ensure the safety and compliance of its vehicles and the continued satisfaction of Hyundai/Genesis customers while continuing its investigation into possible root cause(s) of this concern.

### Service Action

**Reservation** – Always check the Vehicle Information Screen in WebDCS for open campaigns and recalls, and advise the customer on time requirements.

**Readiness** – Review this announcement and the accompanying FAQs, if any, with all Service and Parts staff including Reservationist/BDC. Also, complete all applicable training, check your reservation capacity settings (you can set separate capacities for every recall/campaign), confirm email addresses for campaign appointments, and that you have all necessary tools, campaign parts and shop equipment as needed.

- Be prepared to put customers in an SRC or alternative transportation, if needed.
- Recommended Level of Technician Certification and/or Completed Coursework to perform TSB work: **Expert Certified Technician with one or more years’ experience servicing or repairing Genesis electrical systems.**

**Reception** – Always check the Vehicle Information Screen in WebDCS for open campaigns and recalls, and print a copy for technicians. Provide SRC or an alternative vehicle, as needed. If a customer has declined the campaign, note this on the repair order and request the customer’s signature next to the statement.

**Repair** – Always plug in the GDS before starting the repair. Make sure to complete an MPI on all vehicles and Quality Control your work.

- Refer to **TSB# 21-01-033HG** for inspection and service procedures
- If applicable, record the customer’s radio preset stations and turn the ignition switch OFF prior to starting the service procedures.

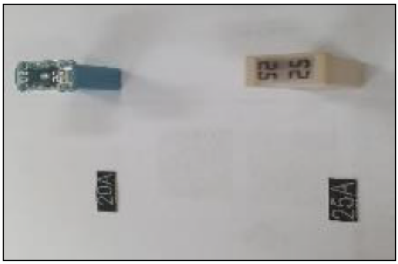

**Return** – Review all completed campaigns and repairs to answer any customer questions. Also, schedule the customer’s next service.

**Reconnect** – Follow up for customer satisfaction.

**Parts**

Review the Parts Information in the TSB for the repair kit.

Parts Name	Part Number	Note
Repair Kit – Multifuse		<ol style="list-style-type: none"> <li>1. Fuses (20A, 25A)</li> <li>2. Upper Cover Sticker Labels (25A, 20A)</li> </ol>
	91940-B1001QQH	

**Warranty**

Model	Op. Code	Operation	Op. Time	Causal Part	Nature Code	Cause Code
G80 (DH)	11D072R0	Fuse Replacement and Label Attachment	0.2 M/H	91940-B1001QQH	I11	ZZ3

**NOTE 1:** Submit Claim on Campaign Claim Entry Screen.

**NOTE 2:** If a part that is not covered by this recall is found in need of replacement while performing Recall 006G and the affected part is still under warranty, submit a separate claim using the same Repair Order. If the affected part is out of warranty, submit a Prior Approval Request for goodwill consideration prior to performing the work.

**Customer Notification**

NHTSA has posted this recall. Owners were interim mailed notification letters in early May 2021 regarding a remedy not yet available. Owners will be mailed a final letter regarding remedy now available in June/July 2021.

Thank you for your prompt attention to this important matter and continued commitment to Hyundai/Genesis customers.

Hyundai Motor America & Genesis Motor America

## Q&A

### **Q1: What is the problem?**

A1: The subject vehicles are equipped with Anti-Lock Brake System (“ABS”) modules that could malfunction internally and cause an electrical short over time potentially resulting in an engine compartment fire.

### **Q2: What are the affected vehicles?**

A2: The subject vehicles include certain 17-18MY G80 (DH) vehicles produced from March 17, 2016 to April 30, 2018.

### **Q3: What is the safety concern?**

A3: An electrical short could result in significant overcurrent in the ABS module increasing the risk of an engine compartment fire while parked or driving.

### **Q4: Have there been any accidents or injuries?**

A4: As of the date of this filing, Hyundai/Genesis is not aware of any confirmed crashes or injuries attributable to the recall condition. Two (2) related vehicle fires have been confirmed in the U.S. market. No related vehicle fires have occurred in foreign markets.

### **Q5: What will be done during the recall service at the dealership?**

A5: Customers can continue driving these vehicles; however Hyundai/Genesis recommends parking these vehicles outside and away from structures until the recall remedy is completed. Hyundai/Genesis plans to notify owners to bring their vehicles to the nearest Hyundai Dealership or Genesis Retailer for replacement of the ABS module fuse.

The remedy procedure will be performed at no charge. Hyundai/Genesis will provide reimbursement to owners for repairs according to the plan submitted to NHTSA on May 16, 2018.

### **Q6: When will owners be notified?**

A6: Owners were mailed interim notification letters in early May 2021 regarding a remedy not yet available. Owners will be mailed a final letter regarding remedy now available in June/July 2021.
