### SAFETY RECALL H335: Warning Lamps Illuminated

Vehicle Affected: Jaguar F-TYPE

Model Year: 2020

National Highway Traffic Safety Administration (NHTSA) Recall Number: 21V-167

Dear Jaguar Owner:

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*. Jaguar has decided that a defect which relates to motor vehicle safety exists in certain 2020 model year Jaguar F-TYPE vehicles.

Your vehicle is included in this Recall action.

#### What is the concern?

Upon startup of the vehicle following a vehicle 'sleep cycle', the diagnostic check completed by the Anti-Lock Brake System Control Module (ABS) does not always complete in the required time period.

When this issue occurs, the ABS and Dynamic Stability Control (DSC) systems are disabled and will not operate during the drive cycle. Warning lamps will be illuminated on the Instrument Panel Cluster (IPC) along with related message center text alerting the driver that the ABS and DSC systems are not available. Electronic brake force distribution is not affected.

Vehicles in this condition and in a situation where the ABS and/or DSC would normally engage to ensure vehicle dynamic stability, may experience an increased risk of a vehicle crash.

#### What will Jaguar and your authorized Jaguar Retailer do?

Jaguar is carrying out a recall of the vehicles mentioned above to update the vehicle software to the correct specification. There will be no charge for this repair under this program.

#### What if I have previously paid for this concern?

If you have already paid for this concern before the date of this letter, Jaguar is offering a refund. To qualify for a refund, provide your authorized Jaguar retailer with the original paid receipt.

To avoid delays, please do not send the receipt to Jaguar Land Rover North America.

#### What should you do?

Please contact your preferred authorized Jaguar retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'H335'.
