**Identification of Any Warning** NR  
that can Occur :

**Involved Components :**

Component Name 1 : cooking stove

Component Description : R1731 R2131

Component Part Number : NR

### Supplier Identification :

#### Component Manufacturer

Name : Dometic Corp.

Address : 5155 Verdant Drive  
Elkhart Indiana 46516

Country : United States

### Chronology :

10-1-2020 Thor released information to Jayco that Dometic was filing a safety recall on model S31 R1731 and R2131 cooking stoves. Jayco waited for official notice with listing of stove sold to any of Jayco divisions - While we could see information filed on NHTSA portal. JAYCO COMPLIANCE DID NOT RECEIVE OFFICIAL RECALL NOTICE from Dometic. Jayco Compliance reached out to Dometic for list of the recall stoves ( if any) sold to any Jayco Division - multiple times from Nov 2020 through March 5, 2021 when Jayco requested a formal letter stating none of the recalled stoves were sold to any Jayco division so we could close the incident.. March 17.2021 Jayco Compliance receive an email from Dometic noting 20,000+ recalled stove serial numbers sold to numerous Jayco Plants. Jayco is currently matching the stove serial numbers to Jayco Towable Products. .

### Description of Remedy :

Description of Remedy Program : A Dometic authorized service center will perform the recall remedy at no charge to current owner.  
Manifold Bolt and Valve Seal replacement.

How Remedy Component Differs from Recalled Component : Orange sticker - notes recall remedy was already performed.

Identify How/When Recall Condition was Corrected in Production : None of Jayco production lines currently use any of the recalled cooking stoves.

### Recall Schedule :

Description of Recall Schedule : Jayco will work with Dometic how to administer recall

Planned Dealer Notification Date : APR 30, 2021 - APR 30, 2021

Planned Owner Notification Date : APR 30, 2021 - APR 30, 2021
