IMPORTANT SAFETY RECALL
See enclosed VIN list

Subject: Western Star ACM Ground Splice Pack

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Trucks North America LLC (DTNA), on behalf of its wholly owned subsidiary, Western Star Truck Sales, Inc., has decided that a defect, which relates to motor vehicle safety, exists on specific Model Year 2019-2022 Western Star 4700 and 5700 model vehicles manufactured October 24, 2018, through March 15, 2021.

On certain vehicles, the ground harness wiring might be undersized, which may result in a melted ground splice connector in the ground circuit harness. If the connector does become damaged, under certain circumstances, the engine may stall without the ability to restart, increasing the risk of a crash.

The ground harness will be replaced. Repairs will be performed by Daimler Trucks North America authorized service facilities.
