Subject: Compliance Recall 01F1- Vehicle Build Status

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2016-2019 model year Volkswagen vehicles potentially fail to conform to Federal Motor Vehicle Safety Standards. Our records show that you are the owner of a vehicle affected by this action.

What is the issue?

Volkswagen has determined that certain internal use vehicles were sold without documented confirmation that they were built to Volkswagen's production standards, and/or the vehicles had possible modification(s) made during their internal use period for which documentation may be incomplete or could not be verified.

If a vehicle does not meet all regulatory requirements, there could be an increased risk of a crash, fire, or injury.

What we will do, and what you need to do.

The recall remedy available to you is vehicle repurchase (buy back). Volkswagen will work directly with you to complete the vehicle repurchase process, FREE of charge.

Please contact Volkswagen Customer CARE at 800-893-5298 or reach out to us at www.vw.com/contact as soon as possible for more information and to begin the vehicle repurchase process.

Lease vehicles and address changes

If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further?

If Volkswagen fails or is unable to complete vehicle repurchase (buy back) free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at www.vw.com/contact or by calling us at 800-893-5298.
