IMPORTANT SAFETY RECALL

**Certain 2021 Model Year Porsche Panamera and Taycan Vehicles
Front Lower Trailing Arms
NHTSA ID 21V-362**

Dear Mr. Miller,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Porsche has decided that a defect that relates to motor vehicle safety exists in certain 2021 Model Year Porsche Panamera and Taycan vehicles. Our records show that you are the current owner of a vehicle affected by this recall.

What is the issue?

Due to a supplier production issue that has since been corrected, the front right lower trailing arm on your vehicle may not have been forged to specification, which could affect its durability. If the front lower trailing arm fractures, your vehicle could experience a potential deterioration or loss of control which could increase the risk of a crash. Until your vehicle is remedied, please follow instructions to the right.

What will Porsche do?

Porsche is conducting a safety recall to replace the subject trailing arm on your vehicle. This remedy will be carried out free of charge.

This is an important Safety Recall.

The remedy will take up to 5 hours to perform, however depending on the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

What should you do?

Please contact any authorized Porsche dealer to schedule an appointment to have this recall performed as soon as possible, and to arrange for alternate transportation, if requested.

If prior to having this remedy performed you notice any abnormal noises coming from the front axle of your vehicle or you notice a misalignment in your steering wheel position, safely park your vehicle and immediately contact your authorized Porsche dealer.

What if you are not the owner or operator of this vehicle?

If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten days of receipt. If you have changed your address or sold the vehicle, please contact customer support so we can update our records.

Can we assist you further?

Please be aware that if you require any assistance in making an appointment to have this recall performed, please call or write:
