

## Body Builder Notice

### *FL888*

Hello,

Attached is information for Daimler Trucks North America's recall on behalf of its DETROIT Powertrain Division, FL888/ DDC recall D21R7.

US Owners will be notified with an interim recall notice for the FL888/D21R7 recall by 7/16/2021 and is attached for your reference.

We are currently still working on the final field action for units that have already been put into service.

DTNA will **not** be notifying customers in Canada, and a Canadian owner notice is attached for your reference.
