Subject	EXPANSION UPDATE-Stop Sale/Safety Recall: 2022 Odyssey Second Row Outer Seats						

DATE: June 26, 2021

TO: All Honda Sales, Service & Parts Managers, and Personnel

FROM: Brad Ortloff, Manager of Auto Campaigns and Recalls

Re: EXPANSION UPDATE-Stop Sale/Safety Recall: 2022 Odyssey Second Row Outer Seats

BACKGROUND

On May 29 and June 5, 2021, American Honda announced a STOP SALE and safety recall for a small number of 2022 Odyssey vehicles. The second row outer seat(s) rail may have been damaged during assembly causing the seat(s) to remain unlatched. Unlatched seat(s) can move unexpectedly under certain braking conditions which can increase the risk of injury.

Today June 26, 2021, American Honda is expanding this recall to include approximately 375 additional units. Refer to your eResponsibility report or do an iN VIN status inquiry to determine which units in your **inventory are affected**.

Failure to repair a vehicle as necessary prior to sale may subject your dealership to claims or lawsuits.

REPAIR

Replace the right and left second row outer seat frames.

PARTS

Parts are available via VIN control ordering.

TOOLS

There are no special tools needed for this recall.

SERVICE BULLETIN

Service bulletin 21-056, *Safety Recall: 2022 Odyssey Second Row Outer Seats* has been posted to the Service Information System (SIS) as of June 17, 2021. It includes parts, repair, and warranty information related to this recall.

CUSTOMER NOTIFICATION

American Honda expects to begin customer notification in early August 2021.

As always, be sure to do an iN VIN status inquiry for all vehicles passing through your dealership to determine eligibility for any open campaigns.
