21V-443

Subject: Clearance Lamps Not Reflective Enough/FMVSS 108

Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FOREST RIVER/SALEM/2021
FOREST RIVER/WILDWOOD/2021

Mfr's Report Date: June 11, 2021

NHTSA Campaign Number: 21V-443

Components:

EXTERIOR LIGHTING

Potential Number of Units Affected: 289

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2021 Salem Fifth Wheel, Salem Travel Trailer, Wildwood Fifth Wheel, and Wildwood Travel Trailer vehicles. The red and amber clearance lamps do not reflect enough light. As such these vehicles fail to comply with Federal Motor Vehicle Safety Standards (FMVSS) number 108, "Lamps, Reflective Devices, and Assoc. Equipment."

Consequence:

Less reflective clearance lamps can affect how other drivers judge the length of the trailer, increasing the risk of a crash.

Remedy:

Dealers will add reflex stickers to both the amber and red clearance lamps, free of charge. Owner notification letters are expected to be mailed July 20, 2021. Owners may contact Forest River customer service at 1-574-534-3167. Forest River's number for this recall is 51-1359.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Forest River, Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
