NHTSA Recall 21V-471

Dear Nissan Titan Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain 2020-2021 Model Year Titan vehicles fail to conform to Federal Motor Vehicle Standard (FMVSS) number 108, "Lamps, reflective devices, and associated equipment." Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall
Motivo del Retiro

The front right and/or left turn signal on your vehicle may develop a crack at the base of the bulb glass which can cause it to become inoperable. If the front right and/or left side turn signal bulbs become inoperable, there will not be an indication to on-coming drivers or pedestrians that the vehicle will be turning, increasing the risk of a crash or injury.

What Nissan Will Do
Qué Hará Nissan

Your Nissan dealer will inspect both the right and left front turn signal bulb lot code. If a bulb lot code is confirmed to be affected, the bulb will be replaced. This service, which is conducted at no charge to you for parts and labor, could take up to one (1) hour to complete, if part(s) replacement is necessary. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do
Qué Debes Hacer

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle inspected, and if necessary, repaired. Please bring this notice with you when you keep your service appointment.

Comunícate con cualquier concesionario Nissan a la mayor brevedad para concertar una cita de reparación para tu vehículo. Se requiere que traigas esta notificación el día de tu cita.
