# IMPORTANT SAFETY RECALL

## Windshield Adhesion

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that certain [2020 and 2021 Model Year (LX) Chrysler 300, (LA) Dodge Challenger and (LD) Dodge Chargers] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 49 CFR 571.212 S5 which states that "When the vehicle travelling longitudinally forward [...] impacts a fixed collision barrier that is perpendicular to the line of travel of the vehicle [...] the windshield mounting of the vehicle shall retain not less than the minimum portion of the windshield periphery specified in S5.1 and S5.2." 49 CFR 571.212 S5.1 states that vehicles "shall retain not less than 50 percent of the portion of the windshield periphery on each side of the vehicle longitudinal centerline." Vehicles built with non-conforming clear coat may not retain the windshield as required.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle [1] may have been built with non-conforming clear coat paint which may lead to inadequate front windshield adhesion to the vehicle body. **A windshield that is not adequately retained to the vehicle in a crash may increase the risk of injury to the occupants.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle [2] free of charge (parts and labor). To do this, your dealer will remove and replace the front windshield urethane sealant. The estimated repair time is 4 hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment after September 13, 2021 to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**
