- LCI/ HEHR 6400 series windows.**

Dear Valued Dealer and Valued Owner:

Valued Dealer: This Lippert Components Inc. gauge kit part number 2021094575 has been sent to you to perform window inspections associated with NHTSA Recall 21V-529 and Transport Canada recall 2021-440 regarding LCI/Hehr 6400 series windows. Please provide this gauge kit to your dealer's service manager or the service advisor that performs the scheduled recalls.

Valued Owner: To be pro-active we have provided you with this gauge kit in the event that your dealer performing the recall has not received the gauge kit to do the window inspection. Please take this gauge kit to your scheduled service appointment and provide the service manager or service advisor performing the inspection with the gauge kit.

Sincerely,

Compliance Management
