Dear Mr. Kurata:

This letter serves to acknowledge Mitsubishi Motors North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

MINI/OUTLANDER/2022

**Mfr's Report Date:** August 2, 2021

**NHTSA Campaign Number:** 21V-596

**Components:**

SEAT BELTS:FRONT:RETRACTOR  
SEAT BELTS:REAR/OTHER:RETRACTOR

**Potential Number of Units Affected:** 3,735

**Problem Description:**

Mitsubishi Motors North America, Inc. (MMNA) is recalling certain 2022 Outlander vehicles. The front and second-row passenger seat belt automatic locking retractors may deactivate early, which can prevent the child restraint system from securing properly. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 208, "Occupant Crash Protection."

**Consequence:**

An unsecured child restraint system can increase the risk of injury during a crash.

**Remedy:**

Dealers will inspect, and replace as necessary, the right front seat belt assembly, and the right and left second-row seat belt assemblies, free of charge. The manufacturer has not yet provided a schedule for recall notification. Owners may contact MMNA customer service at 1-888-648-7820. MMNA's number for this recall is SR-21-007.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Your company's plan may incorporate by reference a general reimbursement plan it previously submitted to NHTSA, together with information specific to the individual recall. Information required by § 573.13 that is not in a general reimbursement plan shall be submitted in your company's report to NHTSA. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (§ 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the remedy section of your filing.

**AMENDED 573 REQUIRED.**
