#### **Vehicle Affected:**

Model Year: 2010-2013,  
Land Rover LR4,  
Model Year: 2010-2016**

**National Highway Traffic Safety Administration (NHTSA) Recall Number: 21V-635**

#### **Dear Range Rover Sport or Land Rover LR4 owner:**

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*. Land Rover has decided that a defect which relates to motor vehicle safety exists in certain 2010-2013 model year Land Rover Range Rover Sport and 2010-2016 LR4 vehicles.

Your vehicle is included in this Recall action.

#### **What is the reason for this program?**

An issue has been identified on certain 2010 - 2013 model year Land Rover Range Rover Sport and 2010-2016 LR4 vehicles. The Fuel outlet flange mounted on the fuel tank may crack, possibly resulting in a fuel leak. Some customers have reported fuel odor, the amber Malfunction Indicator Lamp on the Instrument Cluster illuminating and liquid fuel on the ground.

The driver may also experience fuel odor and in some circumstances, with the vehicle still, there could be liquid fuel underneath the rear of the vehicle, which in the presence of an ignition source could lead to a fire.

#### **What will Land Rover and your authorized Land Rover retailer do?**

Land Rover is carrying out a recall of these vehicles to have the fuel outlet flange replaced with a component of revised design. However, we currently do not have an adequate supply of the necessary parts.

There will be no charge to owners for this action under this Program.

#### **What should you do?**

Once we have adequate supply of the necessary parts, we will notify you via a second letter requesting that you contact your preferred authorized Land Rover retailer and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'N623'.

#### **What if I have previously paid for this concern?**

If you have already paid for this concern Land Rover is offering a refund. The process for administering refunds will be included in the second letter. Please do not contact your retailer or Jaguar Land Rover to request a refund until you receive instructions in the second letter.
