Dear Mercedes-Benz Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2011-2016 C-Class Coupe, and E-Class Coupe/Convertible vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the CONCERN?

In certain MY11-16 C-Class Coupe and E-Class Coupe/Convertible vehicles, a front passenger-side airbag may have been installed during a prior repair that is not approved for the model. In this case, the front passenger-side airbag might not function properly, and in the event of a crash with a front passenger airbag deployment, the risk of injury for the occupant could increase.

What will your DEALER DO?

An authorized Mercedes-Benz dealer will check and replace the front passenger-side airbag on the affected vehicles if necessary. **This service will be provided free of charge.** We are dedicated to always delivering the best customer experience, and respect for your time is a top priority. While the minimum repair time can be less than 2 hours, your dealer can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures that might be applicable to your vehicle which may increase the required working time.

What should YOU DO?

To find the most convenient authorized Mercedes-Benz dealer from your smartphone, scan the QR code to the left.

For additional information and to schedule an appointment, please contact your preferred authorized Mercedes-Benz dealer at your earliest convenience. To locate authorized dealers see www.MBUSA.com/recall. **Please mention you are scheduling an appointment to check the front passenger airbag module under Recall Campaign # 2021080016.** You may be asked for your 17-digit Vehicle Identification Number (VIN) which for your convenience is located above your name at the top of this letter.

Impacts from COVID-19: Your health and safety remain our top priority. The Mercedes-Benz dealerships remaining open for recall repairs and service are closely following the guidelines set forth by the CDC.
