

SAFETY RECALL NOTICE STOP SALE COMMUNICATION

Date: September 16, 2021

To: All U.S. Maserati Dealers
Subject: Safety Recall 434 – MY 2021 Maserati Quattroporte, Ghibli and Levante vehicles.

Effective immediately, the vehicles listed in the attachment must not be delivered to customers. The subject vehicles are included in a voluntary safety recall related to vehicles may contain seatbelt retractors with suspect Automatic Locking Retractor (“ALR”) levers that affect the ALR function of the seatbelt retractor for child restraint seats. The ALR may deactivate earlier than intended and may not tightly secure to the vehicle seat which may result in increased risk of injury in a crash to the occupant of the child restraint seat.

Vehicles in the recall will require a specific procedure to inspect seatbelt retractors and replace if needed. Maserati intends to notify owners on or before 10/23/2021 to schedule appointments to have their vehicles fixed.

The remedy for this condition is currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in October 2021.

Please be reminded that it is a violation of Federal law for you to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied. Violation of this requirement could result in a civil penalty of up to \$21,000 per vehicle. You must correct all vehicles in your new vehicle inventory before delivery.

Thank you very much for your support.
