**Subject:** Rear Sliding Axle Suspension Beams May Crack

Dear Mr. Hanten:

This letter serves to acknowledge Trail King Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

TRAIL KING/AACS/2019  
TRAIL KING/ACS/2019

**Mfr's Report Date:** September 14, 2021

**NHTSA Campaign Number:** 21V-713

**Components:**

SUSPENSION:REAR  
SUSPENSION:SUBFRAME/MOUNTING BRACKET

**Potential Number of Units Affected:** 14

**Problem Description:**

Trail King Industries, Inc. (Trail King) is recalling certain 2019 TK80ACS and TK80AACS trailers. The rear sliding axle suspension beams may contact a frame reinforcement, causing cracking in the suspension beam.

**Consequence:**

A cracked suspension beam may come loose or detach from the frame bracket, increasing the risk of a crash.

**Remedy:**

Dealers will replace any suspension beams that show indications of cracking, and will also replace all of the frame reinforcements, free of charge. Owner notification letters are expected to be mailed on September 27, 2021. Owners may contact Trail King's customer service at 1-800-843-3324. Trail King's number for this recall is TK202104.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please ensure the following requirements are met:

Per the requirements of 49 USC 30119, please provide the part number, name and description of the component or components involved in this recall. This information should be provided in an amended 573 in the "Involved Components" section.

**AMENDED 573 REQUIRED.**

Your company's program shall include a plan for reimbursing an owner or purchaser who incurred costs to obtain a remedy for the problem addressed by the recall within a reasonable time in advance of your company's notification of owners, purchasers and dealers, in accordance with § 573.13. Your company's plan may incorporate by reference a general reimbursement plan it previously submitted to NHTSA, together with information specific to the individual recall. Information required by § 573.13 that is not in a general reimbursement plan shall be submitted in your company's report to NHTSA. If your company submits one or more general reimbursement plans, your company shall update each plan every two years (§ 573.13). If the vehicles are new and would be covered under the manufacturer's warranty program, please state that in the remedy section of your filing.

**AMENDED 573 REQUIRED.**

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Trail King Industries, Inc.'s contact for this recall will be Michelle Rice who may be reached by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,
