Subject: Incorrect VIN On Federal Certification Label

Dear Mr. Franklin:

This letter serves to acknowledge Yamaha Motor Corporation, USA's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Mfr's Report Date: October 25, 2021

NHTSA Campaign Number: 21V-836

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 16

Problem Description:

Yamaha Motor Corporation, USA (Yamaha) is recalling certain 2021 Tracer 900 GT (MTT9GTM) motorcycles. The Vehicle Identification Number (VIN) printed on the Federal Certification label may not match the VIN stamped on the vehicle. As such, these vehicles fail to comply with the requirements of 49 CFR Part 567, "Certification."

Consequence:

An owner that references an incorrect VIN label may not recognize their vehicle is involved in a safety recall, and may not have the recall remedy performed, which could increase the risk of injury, fire, or a crash.

Remedy:

Yamaha will notify owners, and dealers will install a correct certification label, free of charge. Owner notification letters are expected to be mailed November 5, 2021. Owners may contact Yamaha customer service at 1-800-962-7926. Yamaha's number for this recall is 990151.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Yamaha's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Yamaha Motor Corporation, USA's contact for this recall will be Sarah Shiver who may be reached by email at sarah.shiver@dot.gov. We look forward to working with you.

Sincerely,
