EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 31

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2021-2022 Cherokee ACKT29TEBL travel trailers. The tire size and Gross Axle Weight Rating (GAWR) on the Federal Placard are incorrect, which could result in the vehicle being overloaded. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims" and 49 CFR Part 567, "Certification."

Consequence:

An overloaded vehicle can lead to a loss of control, increasing the risk of a crash.

Remedy:

Forest River will mail owners a new Federal Placard, free of charge. Owner notification letters are expected to be mailed December 22, 2021. Owners may contact Forest River Customer Service at 1-260-499-2100. Forest Rivers number for this recall is 17A-1439.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
