

# RECALL Y78, 2019MY COMPLETION HANDLING

The Y78 recall is to be used for 2020MY VINs until further notice.

The only 2019MY exception is if the VIN is also open for W57, VB6, W03, or Y21 recalls.

In these instances, perform Y78 and the open W57, VB6, W03, or Y21.

TSB 18-099-22 is available for 2019 MYs that have been diagnosed to have experienced a high pressure fuel pump failure and are currently down.

Thank you,

Mopar
