Important Safety Recall Notice

Dear TimpTE Customer
Customer Address
City, State, Zip Code

This notice is sent to You in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act

RE: Safety Recall #21V-883, ZF Wabco ABS System Electronic Control Unit (ECU) Failure

TimpTE has decided that a defect, which relates motor vehicle safety, exist in certain ZF Wabco ABS System ECU for Your trailer. This notice is to inform You that on November 15, 2021, TimpTE notified NHTSA that it would institute a recall for trailers equipped with suspect ABS System ECUs manufactured between May 17, 2021, and November 2, 2021, for those units where the potential issues may occur.

The ECU units were assembled with fasteners that may have been improperly tightened. The mis-assembly could cause the vehicle brakes to seize unexpectedly during normal operations, increasing the risk of crash.

Please contact TimpTE Warranty, upon receipt of this letter, at (402)367-3056. TimpTE Warranty Personnel will assist with locating and scheduling Your trailer into the nearest repair facility to address the problem. This repair will be performed at no cost to You, Our Customer.

You will be asked to transport Your trailer to the selected repair facility for this recall. Parts correcting the defect will be available at the repair facility. The Repair facility will replace the suspect ECU at a rate of 2 hours to correct the defect.

Prior to reporting to the Repair Facility for the repair, please take care to monitor Your tractor-trailer combination performance for any indication of normal operating conditions and vehicle performance. In this event, contact TimpTE Warranty immediately.

If You have sold the vehicle noted in this Recall Notice, please forward the contact information for the new owner to TimpTE, Inc.
