Dear Mr. Baltz:

This letter serves to acknowledge M H EBY's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
EBY/GENERATION/2020-2022

Mfr's Report Date: November 16, 2021

NHTSA Campaign Number: 21V-887

Components:
EXTERIOR LIGHTING
STRUCTURE:BODY

Potential Number of Units Affected: 836

Problem Description:

M H Eby is recalling certain 2020-2022 EBY Generation trailers. The top rear corners are missing the white conspicuity tape. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamp, Reflective Devices, and Associated Equipment."

Consequence:

Missing white conspicuity tape reduces the vehicle's visibility to other drivers, increasing the risk of a crash.

Remedy:

M H Eby will provide a repair kit, free of charge. Owner notification letters are expected to be mailed December 15, 2021. Owners may contact M H Eby customer service at 717-354-4971.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
