Recall notice issued to:

[REDACTED]

Vehicle information:

VIN [REDACTED]

2021 RAM 3500 TRADESMAN CREW CAB 4X4

Recall information: Y99/NHTSA 21V-925

Visit recalls.mopar.com for more information or call the FCA US Recall Team at
[1-800-853-1403](tel:1-800-853-1403).

Details of the Recall

Your vehicle may have been built with a Side Air Bag Inflatable Curtain (SABIC) assembly containing an inflator with out of specification propellant gas mass. SABIC assemblies with low gas mass may result in non-deployment or low/slow deployment and high gas mass may result in aggressive deployment of the air bag which may increase the risk of occupant injury in certain crashes.

FCA US will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the Side Air Bag Inflatable Curtain (SABIC) assembly. The estimated repair time is about 3 hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service

appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
