NHTSA RECALL 21V-917

Dear Frontier Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain 2022 Model Year Nissan Frontier Crew Cab Long Bed vehicles fail to conform to Federal Motor Vehicle Standard (FMVSS) number 301, "Fuel System Integrity." Our records indicate that you own or lease the Nissan vehicle subject to this recall as identified by the VIN on the inside of this notice.

Reason for Recall
Motivo del Retiro

Due to a production error that has since been corrected, certain Model Year 2022 Frontier Crew Cab Long Bed vehicles were assembled without a tow hitch installed. Without a rear tow hitch, in the event of a rear collision, affected vehicles could experience leaf spring contact with the fuel tank. This contact could potentially result in a fuel leak, increasing the risk of injury. In this condition, the vehicle would not comply with FMVSS 301.

What Nissan Will Do
Qué Hará Nissan

Your Nissan dealer will install the tow hitch and trailer tow harness kit, free of charge. The installation could take up to one and a half (1.5) hours to complete. Your dealer may require the vehicle for a longer period of time based upon the dealer's work schedule.

What You Should Do
Qué Debes Hacer

Please contact your Nissan dealer in order to arrange an appointment to have your tow hitch installed as soon as possible. Please bring this notice with you when you attend your service appointment.

Comunícate con cualquier concesionario Nissan a la mayor brevedad para concertar una cita de reparación para tu vehículo. Se requiere que traigas esta notificación el día de tu cita.
