Subject: Reduction of mileage/ usage period for Chiron Pur Sport rear tires

Dear Mr. Blattner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. In December 2021, Bugatti Automobiles sent you a letter announcing Recall BUGCR025 (Bugatti Pur Sport Rear Tire Recall) on your vehicle bearing the VIN, shown above. This letter is to inform you that we now have the approved permanent replacement tire available. Your local authorized Bugatti service partner will be contacting you to schedule a repair date. As this is a safety recall, ALL tires MUST be returned to Bugatti Automobiles for proper disposal.

BUGATTI Automobiles SAS determined that a defect relating to motor vehicle safety can exist in certain 2021/2022 model year BUGATTI Chiron Pur Sport vehicles worldwide. This defect has been rectified with Part No. 5B4601329E

Our records show that you are the owner of a vehicle potentially affected by this safety concern.

What was the issue?

The rear tires may have a condition, that limits the usage period to 4,000 km or 2,500 mls/ 2 years from the tires production date (relevant DOT imprint); whichever comes first. If the tires are used beyond their service limit, cracks could form in the tires, which could result in rapid loss of tire pressure and increase the risk of a crash.

What will we do?

To correct this defect, your authorized BUGATTI Partner will replace the rear tires with a completely new rear tire. This work will take approximately two (2) days to complete and will be performed free of charge.

What should you do?

Should your vehicle have already reached 3,000 kilometers or 1,875 miles or 1.5 years (relevant DOT imprint) – to avoid any potential issue – **BUGATTI recommends that the car shouldn't be driven until the previously fitted rear tires have been replaced with the newly available solution (Part No. 5B4601329E).** Please contact your authorized BUGATTI Partner without delay to schedule a repair appointment and refer to BUGATTI's recall number

BUGCR025. Please note that all transport related costs to your nearest BUGATTI partner will be covered by BUGATTI for this recall.
