Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2022 Alante and Vision Class A Motorhomes.

***Reason  
for this  
recall***

The main chassis wiring harness is not secured away from the exhaust manifold and can be melted resulting in stalling of the vehicle which could lead to an increased risk of personal injury or collision.

***Recall  
Remedy***

The remedy consists of inspecting the harness for proper securement and if necessary adding a clamp to secure the harness away from the exhaust manifold. The remedy will be performed free of charge to you and will take approximately 15 minutes to complete.

***What we  
need you  
to do***

Our records show the following unit is affected by this recall, and is part of the current inventory at your Dealership.
