**Subject:** Joybuy's Letter re Portable Infant Safe Seat Recall & Refund  
**Attachments:** NHTSA Notice.pdf; RCLRPT-22C008-2332 Safety Recall Report.pdf

Dear Walmart Team,

Please allow this email to serve as notice that Joybuy Express America Limited (“Joybuy”) has agreed to conduct a voluntary safety recall of certain child restraint systems sold on the Walmart online platform.

According to a letter dated December 1, 2020 (as attached), the National Highway Traffic Safety Administration (“NHTSA”) determined that the Marainbow Portable Infant Safe Seat child restraint system contains deficiencies which constitute possible noncompliance with Federal Motor Vehicle Safety Standards. Out of an abundance of caution, Joybuy has agreed to proceed with a voluntary recall of the Marainbow Portable Infant Safe Seat, as well as all materially similar products.

Provided that Walmart is the sole distributor of these products in the United States, Joybuy intends to work in conjunction with Walmart to promptly notify customers of the possible noncompliance. As part of this recall effort, Joybuy will offer a full refund to all purchasers upon receipt of proof of destruction of the item. More information about this recall can be found in the attached *Part 573 Safety Recall Report*.

We look forward to discussing this recall matter with Walmart team during our meeting today.

Thanks and best regards,  
Carrie
