Subject: Helmets May Not Protect From Impact/FMVSS 218

Dear Mr. La Chapelle:

This letter serves to acknowledge Fuel Helmets's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FUEL HELMETS/SH-WS001/9999

Mfr's Report Date: February 16, 2022

NHTSA Campaign Number: 22E-009

Components:

EQUIPMENT:MOTORCYCLE:HELMETS

Potential Number of Units Affected: 1,431

Problem Description:

Fuel Helmets is recalling certain SH-WS001 motorcycle helmets, part number SH-WS0016, size Large. The helmet may not adequately protect the wearer in the event of a head impact during a crash. As such, these helmets fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 218, "Motorcycle Helmets."

Consequence:

A helmet that does not provide adequate impact protection increases the risk of injury during a crash.

Remedy:

Fuel Helmets will notify owners, and provide a credit to replace the helmet or reimburse the cost of the helmet. The manufacturer has not yet provided a schedule for recall notification. Owners may contact Fuel Helmets customer service at 1-855-355-3835.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

A description of the defect or noncompliance, including both a brief summary and a detailed description of the nature and physical location (if applicable) of the defect or noncompliance (49 CFR 573.6 (c)(5)).

AMENDED 573 REQUIRED.

Your company must supply the estimated date(s) for which it will notify dealers and/or distributors regarding this safety recall. If your company subsequently becomes aware that either the beginning or the completion dates reported to the agency for any of the notifications will be delayed by more than two weeks, your company shall promptly advise the agency of the delay and the reasons therefor, and furnish a revised estimate. If your company does not have dealers or distributors, please state so in the 573 (49 CFR 573.6 (c)(8)(ii)).

AMENDED 573 REQUIRED.

Your company must supply the estimated date(s) for which it will notify owners regarding this safety recall. Please be reminded that all owners must be notified of the safety risk associated with this filing within 60 days of the 573 being submitted. If the remedy is not available at that time, mail the interim notice, following it with a second notice once the remedy becomes available. If your company subsequently becomes aware that either the beginning or the completion dates reported to the agency for any of the notifications will be delayed by more than two weeks, your company shall promptly advise the agency of the delay and the reasons therefor, and furnish a revised estimate. If there are no owners involved in this recall, please state so in the 573 (49 CFR 573.6 (c)(8)(ii)).

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

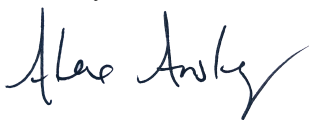

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Fuel Helmets's contact for this recall will be Choon Lee who may be reached by email at choon.lee@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
