# Manufacturer Name :Prevost Car (US) Inc.Submission Date :FEB 13, 2023NHTSA Recall No. :22E-030Manufacturer Recall No. :SR22-05

### **Manufacturer Information :**

Manufacturer Name : Prevost Car (US) Inc. Address : 201 South Avenue

South Plains NJ 07080 Company phone : 908-222-7211

# **Population** :

Number of potentially involved : 27,652 Estimated percentage with defect : 100 %

### **Equipment Information :**

Brand / Trade 1:	Prevost Car (US) inc.
Model :	Non applicable
Part No. :	See Involved comp.
Size :	Multiple sizes
Function :	Alternator belt
Descriptive Information :	All belts corresponding to part numbers indicated are considered not to be adequate for the service to which they are been currently used.
Production Dates :	JAN 01, 2015 - APR 05, 2022

## **Description of Defect :**

Description of the Defect :	A small percentage of Prevost units have experienced thermal events due to the rigidity of alternator belts in the event of failure on the alternator front bearing.
FMVSS 1 :	NR
FMVSS 2 :	NR
Description of the Safety Risk :	In some cases, when alternator's front bearing fails, it could overheats causing a local thermal event.
Description of the Cause :	With this type of belts, in event of front bearing seize, belt may continue to drive the alternator causing abnormal friction for a longer period of time than the old belts.
ş 0	Noise coming from alternator front bearing and, maybe, alternator not charging telltale.

### **Involved Components :**

The information contained in this report was submitted pursuant to 49 CFR \$573

22E-030

#### **Supplier Identification :**

#### **Component Manufacturer**

Name :Prevost Car (US) inc.Address :7900 National Service Rd.<br/>Greensboro North Carolina 27409Country :United States

#### **Chronology**:

-From 2016 to 2019 ten cases were reported through field reports for thermal events related to failure on alternator front bearings .

-2021-04-23 First analysis on alternator front bearing failure. No evidence was found to consider this failure as a safety related issue.

-2022-03-15 Internal inquiry was started to analyse root cause for thermal events on alternator front bearing. A link between the introduction of new belts and an increase of thermal events related to alternator' front bearing failure was identified. The case will be presented to Volvo Product Safety Committee (PSC)
-2022-03-30 Case presented to PSC. PSC decided there is a safety related defect and a recall is required
-2022-03-31 Preliminary discussion with NHTSA to expose the findings
-2022-04-06 Prevost submitted the vehicle defect report to NHTSA

Page 5

### **Description of Remedy :**

Description of Remedy Program :	Prevost will change the defective belt for polyester belts. A safety recall will be launched to inform customers about the defect and letters will be sent to advise how to proceed to correct. Prevost will replace the defective belts free of charge (Parts and labor) for the customers. A maintenance information will be provided to customers to inspect alternators. In case a customer has already replaced the defective belt before the safety
	recall has been launched, this customer will be reimbursed according to Prevost reimbursement plan.
5 1	New belts with new part numbers will be installed on all vehicles affected. This new belts will be in polyester.
Identify How/When Recall Condition was Corrected in Production :	Prevost is currently on delivery stop, until parts become available.

### **Recall Schedule :**

Description of Recall Schedule :	Note Prevost does not have a dealer network and the dates entered for
	the planned dealer notification begin/end date are only to avoid NHTSA
	Recall Portal error while submitting the recall report.
Planned Dealer Notification Date :	SEP 26, 2022 - SEP 26, 2022
Planned Owner Notification Date :	SEP 26, 2022 - SEP 26, 2022

#### **Purchaser Information :**

The following manufacturers purchased this defective/noncompliant equipment for possible use or installation in new motor vehicles or new items of motor vehicle equipment:

Name : NR Address : NR NR Country : NR Company Phone : NR
