Description of the Safety Risk : The table could potentially drop down in the upright or closed position increasing the risk of injury.

Description of the Cause : NR

Identification of Any Warning that can Occur : NR

Involved Components :

Component Name : Swing Up Table Base

Component Description : Adjustable Dinette/Sofa Table

Component Part Number : 141018-04

Supplier Identification :

Component Manufacturer

Name : Changshu Rongteng Technology

Address : NO. 246 Mocheng Avenue Mocheng St.

Changshu Foreign States

Country : China

Chronology :

On May 9, 2022, Red Rock LLC ("Red Rock Supply") was advised by its U.S. based customer that it had been made aware of reports that some welds holding the pieces to the dinette table base were breaking and not holding to the proper weight rating. Red Rock Supply worked with its customers to quarantine the product and Red Rock commenced a product review to better understand these reports. On May 13, 2022, Red Rock identified certain batch of swing up table bases where the welds were not fully completed. On May 17, 2022, Red Rock decided that a safety-related defect exists in certain swing up table bases.

Description of Remedy :

Description of Remedy Program : Replace the Swing Up Table Base

How Remedy Component Differs from Recalled Component : The remedy component has complete welds

Identify How/When Recall Condition was Corrected in Production : Red Rock LLC ceased distribution of this product on May 9, 2022 when it was made aware of the possibility of incomplete welds.
