

IMPORTANT SAFETY RECALL
THIS NOTICE APPLIES TO YOUR TIRE
NHTSA RECALL NUMBER 22T014

Sep 12, 2022

Subject: Tire Safety Recall Notice

Dear customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

P.T. Elangperdana Tyre Industry (“EP”) has determined on or about July 26, 2022 that a safety related defect exists in certain EP brand Light Truck tires. The specific tire was:

Zeetex AT1000 LT245/75 R17.

REASONS FOR THIS VOLUNTARY RECALL

EP received a letter dated June 22, 2022 from National Highway Traffic Safety Administration (“NHTSA”) that states its test of one of the Recalled Tires, Zeetex AT1000 **LT245/75 R17** developed sidewall crack near the bead area and the Recalled Tire may experience premature separation near bead area under certain severe service conditions or abusive use. Based on its further internal testing, EP added the following 4 more sizes to the recall:

Zeetex AT1000 LT235/80 R17

Zeetex AT1000 LT275/70 R18

Zeetex AT1000 LT285/75 R16

Zeetex AT1000 LT275/65 R20

collectively, hereinafter referred to as the “Recalled Tire”.

Under certain extreme service conditions of use or abuse, cracks in the sidewall may form which may lead to air loss and result in loss of and crash of your vehicle , or fire, causing personal injury, property damage and/or even death.

WHAT WE WILL DO
