Subject: Incorrect Tire Pressure on Label/FMVSS 120 & 567

Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FOREST RIVER/VENGEANCE/2022

Mfr's Report Date: January 28, 2022

NHTSA Campaign Number: 22V-041

Components:

EQUIPMENT:OTHER:LABELS
TIRES

Potential Number of Units Affected: 21

Problem Description:

Forest River, Inc. (Forest River) is recalling certain 2022 Vengeance Fifth Wheel trailers. The tire pressure label may indicate incorrect tire pressure information for the front tires. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 120, "Wheels and Rims-Other Than Passenger Cars" and 567, "Certification."

Consequence:

Incorrect tire pressure information may result in under-inflated tires that can fail, increasing the risk of a crash.

Remedy:

Forest River will mail replacement labels, free of charge. Owner notification letters are expected to be mailed March 9, 2022. Owners may contact Forest River customer service at 1-260-499-2100. Forest River's number for this recall is 81-1462.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Forest River, Inc.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
Enforcement
