Subject: Plan for Reimbursement of Pre-Notification Remedies

Dear Mr. Ansley,

Pursuant to Part 573.6(c)(8)(i), Navistar's plan to reimburse owners for costs incurred for remedies made in advance of our notification of safety-related defects or noncompliance with Federal motor vehicle safety standards ("FMVSS") is as follows.

(1) PERIOD OF REIMBURSEMENT [Part 573.13(c)]

- Beginning Date:
 - For a noncompliance with FMVSS, the beginning date will be the date of the first test or observation by either NHTSA or Navistar that a noncompliance may exist.
 - For a safety related defect determined by an Engineering Analysis ("EA"), the beginning date will be the date the EA was opened or one year before Navistar's notification to NHTSA, whichever is earlier.
 - For a safety related defect without an EA, the beginning date will be one year prior to Navistar's notification to NHTSA.
- Ending Date:
 - The ending date will be 10 days after the last customer original notification was mailed.

(2) REIMBURSEMENT OF COSTS [Part 573.13(d)]

- Reimbursement Approval. Reimbursement will be approved for parts, labor, and certain miscellaneous charges if the following guidelines are met.
 - The build date of the vehicle must fall within the build date range of the recall population.
 - The repair date is within the period of reimbursement stated in the customer letter.
 - An original invoice and proof of customer payment was provided.

- The repairs detailed on the invoice address the defect or noncompliance and are similar to the recall remedy.
- Reimbursement Denial. Reimbursement will be denied only under the following conditions.
 - The costs incurred were within the normal or extended warranty period.
 - The repair was not the same or similar to the recall remedy.
 - The repair did not address the defect or noncompliance that led to the recall.
 - The repair was not reasonably necessary to correct the defect or noncompliance.

(3) AMOUNT OF REIMBURSEMENT COSTS [PART 573.13(e)]

- The amount of reimbursement will be based on the amount paid by the customer for the remedy and/or the cost of parts for remedy, plus applicable labor. Costs for parts will be limited to our retail price for authorized parts. Any taxes or costs for disposal of wastes will be included in the reimbursement.

(4) ADDRESS FOR REIMBURSEMENT CLAIMS [573.13(f)]
