REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

We appreciate your patience while we are waiting for the parts. **You will receive a second owner notification when the parts become available.**

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

If you need assistance, please contact your nearest Prevost Service Center. You will find the Prevost Parts & Service Centers location at this address:

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

If you need assistance, please contact your nearest Prevost Service Center. You will find the Prevost Parts & Service Centers location at this address:

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

If you need assistance, please contact your nearest Prevost Service Center. You will find the Prevost Parts & Service Centers location at this address:

We appreciate your patience while we are waiting for the parts. **You will receive a second owner notification when the parts become available.**

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

CHANGE OF ADDRESS OR OWNERSHIP

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

WHAT YOU NEED TO DO

We appreciate your patience while we are waiting for the parts. **You will receive a second owner notification when the parts become available.**

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

CHANGE OF ADDRESS OR OWNERSHIP

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevest vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevest Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevest Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

If you need assistance, please contact your nearest Prevest Service Center. You will find the Prevest Parts & Service Centers location at this address:

We appreciate your patience while we are waiting for the parts. **You will receive a second owner notification when the parts become available.**

NOTICE REGARDING LEASED VEHICLES

If you are a Lessor of vehicles subject to this Notice, you have an obligation under Federal Law to send a copy of this Notice to all Lessees within 10 days.

For purposes of this Notice, the terms:

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months

preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in 49 CFR Section 577.4), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal Motor Vehicle Safety Standard in one or more of the leased motor vehicles.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

CHANGE OF ADDRESS OR OWNERSHIP

REIMBURSEMENT OF PRE-NOTIFICATION REMEDIES

When a Prevost vehicle is affected by a safety recall and the owner/purchaser (claimant) has the safety-related defect or FMVSS regulatory noncompliance remedied at their own expense prior to receiving the manufacturer notification of the safety recall, Prevost Car (US) Inc. will reimburse the owner/purchaser for the reasonable amount paid (i.e. the cost of parts, labor, disposal fees and taxes) that addressed the safety-related defect or FMVSS regulatory noncompliance as described in the safety recall notification. To qualify, repairs must have been completed no earlier than one year prior to the release of the safety recall (notification to the government) and no later than 10 days after the last mailing of the initial customer notification letter pertaining to the recall. To get reimbursed, please file an online warranty claim following normal campaign procedure if you are a registered customer, otherwise, please contact the Prevost Warranty Department at 1-866-870-2046 for reimbursement instructions.

ASSISTANCE

If you need assistance, please contact your nearest Prevost Service Center. You will find the Prevost Parts & Service Centers location at this address:
