August 26, 2022

TO: All U.S. Ford and Lincoln Dealers

SUBJECT: NEW VEHICLE DEMONSTRATION / DELIVERY HOLD

Safety Recall 22S26 - *Supplement 4*

Certain 2020-2021 MY Expedition, 2020-2021 F-150,
2020-2021 Navigator, 2020-2022 Super Duty Vehicles
Both Front Wiper Arm Replacement

AFFECTED VEHICLES

Vehicle	Model Year	Assembly Plant	Build Dates
Expedition/ Navigator	2020-2021	Kentucky Truck Plant	August 1, 2020 through October 20, 2021
F-150	2020	Dearborn Truck Plant	August 1, 2020 through September 5, 2020
F-150	2021	Dearborn Truck Plant	May 3, 2021 through August 16, 2021
F-150	2020	Kansas City Truck Plant	August 1, 2020 through October 22, 2020
Super Duty	2020-2022	Kentucky Truck Plant	August 1, 2020 through October 20, 2021
Super Duty	2020-2022	Ohio Assembly Plant	August 3, 2020 through October 20, 2021

Affected vehicles are identified in OASIS and FSA VIN Lists.

New! REASON FOR THIS SUPPLEMENT

- *22S26AA Labor Operation Added for missing key*
- *Added an interim wiper arm repair for Fleet Rental Vehicles Only.*
- Added an inspection procedure of wiper arm date code for vehicles with a manufacture build date on or after June 7, 2021.
- Due to a limited supply of wiper arms, all current backorders for wiper arms will be canceled and a seed stock program will be implemented immediately.

REASON FOR THIS SAFETY RECALL

In some of the affected vehicles, it may be possible for the vehicle wiper arms to perform erratically. This condition can potentially lead to a wiper arm that becomes inoperable and/or separated from the vehicle which can result in reduced visibility in certain conditions.

SERVICE ACTION

DO NOT DEMONSTRATE OR DELIVER any new in-stock vehicles involved in this safety recall. Dealers are to replace wiper arms on vehicles with manufacture build dates prior to June 7, 2021 and inspect wiper arms on vehicles with a manufacture build date on or after June 7, 2021, if necessary, replace both Left hand and Right-hand wiper arms and install a new wiper blade ONLY if the wiper arm is missing. This service must be performed on all affected vehicles at no charge to the vehicle owner.

INTERIM SERVICE REPAIR FOR FLEET RENTAL VEHICLES ONLY

If wiper arms fail the inspection and new wiper arms are not available, Dealers can implement an interim repair of gluing the wiper arm key in place. This is for fleet rental vehicles only.

NOTE: Per policy, an interim repair can be performed on fleet rental vehicles only so the vehicle can be rented (but may not sell or lease). This is NOT a permanent fix. Final repair will still need to be performed. The wiper arms should be replaced as soon as new arms are available.

Parts are not yet available to repair all vehicles. Until parts are available to repair all vehicles, dealers may only order parts and repair vehicles, which are customer-owned vehicles currently in the dealership. Dealers with unsold vehicles will receive seed stock of wiper arms. Repair your unsold inventory of vehicles upon receipt of parts.

OWNER NOTIFICATION MAILING SCHEDULE

Part available letters are expected to be mailed 4 Qtr of 2022. Dealers should repair any affected vehicles that arrive at their dealerships, whether or not the customer has received a letter.

PLEASE NOTE:

Federal law requires dealers to complete this recall service before a new vehicle is delivered to the buyer or lessee. Violation of this requirement by a dealer could result in a civil penalty of up to \$21,000 per vehicle. Correct all vehicles in your new vehicle inventory before delivery.

Attachment I: Administrative Information
Attachment II: Labor Allowances and Parts Ordering Information
Attachment IV: Technical Information

QUESTIONS & ASSISTANCE

For questions and assistance, contact the Special Service Support Center (SSSC) via the SSSC Web Contact Site. The SSSC Web Contact Site can be accessed through the Professional Technician System (PTS) website using the SSSC link listed at the bottom of the OASIS VIN report screen or listed under the SSSC tab.

Sincerely,

David J. Johnson

Safety Recall 22S26 - *Supplement 4*
Certain 2020-2021 MY Expedition, 2020-2021 F-150,
2020-2022 Super Duty, and 2020-2021 Navigator Vehicles.
Both Front Wiper Arm Replacement

OASIS ACTIVATION

OASIS was activated on April 19, 2022.

FSA VIN LISTS ACTIVATION

FSA VIN Lists were made available through <https://web.fsavinlists.dealerconnection.com> on April 19, 2022. Owner names and addresses are expected to be available 4 Qtr. 2022.

NOTE: Your FSA VIN Lists may contain owner names and addresses obtained from motor vehicle registration records. The use of such motor vehicle registration data for any purpose other than in connection with this recall is a violation of law in several states, provinces, and countries. Accordingly, you must limit the use of this listing to the follow-up necessary to complete this recall.

SOLD VEHICLES

- Ford has not issued instructions to stop selling/delivering or driving used vehicles under this safety recall. Owners should contact their dealer for an appointment to have their vehicles remedied as soon as practicable. Owners can continue to safely drive their vehicles.
- Immediately contact any of your affected customers whose vehicles are not on your VIN list but are identified in OASIS. Give the customer a copy of the Owner Notification Letter (when available) and schedule a service date.
- Correct other affected vehicles identified in OASIS which are brought to your dealership.
- Dealers are to prioritize repairs of customer vehicles over repairs of new and used vehicle inventory.

STOCK VEHICLES

- Correct all affected units in your new vehicle inventory before delivery.
- Use OASIS to identify any affected vehicles in your used vehicle inventory.

DEALER-OPERATED RENTAL VEHICLES

The Fixing America's Surface Transportation (FAST) Act law effective June 2016 prohibits a rental company from selling, renting, or leasing vehicles subject to a safety or compliance recall. Please consult your legal counsel for legal advice.

TITLE BRANDED / SALVAGED VEHICLES

Affected title branded and salvaged vehicles are eligible for this recall.

Safety Recall 22S26 - Supplement 4
Certain 2020-2021 MY Expedition, 2020-2021 F-150,
2020-2022 Super Duty, and 2020-2021 Navigator Vehicles.
Both Front Wiper Arm Replacement

OWNER REFUNDS

This safety recall must still be performed, even if the owner has paid for a previous repair. Claiming a refund will not close the recall on the vehicle.

- Ford Motor Company is offering a refund for owner-paid repairs covered by this recall if the repair was performed prior to the date indicated in the reimbursement plan, which is posted with this bulletin. Owners are directed to seek reimbursement through authorized dealers or, at their option, directly through Ford Motor Company at P.O. Box 6251, Dearborn, MI 48121-6251.
- Refunds will only be provided for the cost associated with wiper arm replacement.

RENTAL VEHICLES

Rental vehicles are not approved for this program.

LINCOLN PICKUP AND DELIVERY

Owners of 2017 MY and newer Lincoln vehicles have the option of requesting pickup and delivery service with a Lincoln loaner (up to 2 days), from their dealership. For details, reference EFC08708, 2021 Lincoln Pickup & Delivery Updates.

ADDITIONAL REPAIR (LABOR TIME AND/OR PARTS)

Additional repairs identified as necessary to complete the FSA should be managed as follows:

- For related damage and access time requirements, refer to the Warranty and Policy Manual / Section 6 – Ford & Lincoln Program Policies / General Information & Special Circumstances for FSA's / Related Damage.
- For vehicles within new vehicle bumper-to-bumper warranty coverage, no SSSC approval is required, although related damage must be on a separate repair line with the "Related Damage" radio button checked.
 - Ford vehicles – 3 years or 36,000 miles
 - Lincoln vehicles – 4 years or 50,000 miles

CLAIMS PREPARATION AND SUBMISSION

- **Claim Entry:** Enter claims using Dealer Management System (DMS) or One Warranty Solution (OWS) online.
 - When entering claims, select claim type 31: Field Service Action. The FSA number (22S26) is the subcode.
 - For additional claims preparation and submission information, refer to the Recall and Customer Satisfaction Program (CSP) Repairs in the OWS User Guide.
- **Related Damage/Additional labor and/or parts:** Must be claimed as Related Damage on a separate repair line from the FSA with same claim type and sub code as described in Claim Entry above.

IMPORTANT: Click the Related Damage Indicator radio button.
- **Provision for Loctite Shoe-Glue:**
 - Program Code: 22S26
 - Misc. Expense: OTHER
 - Amount: Up to \$9.00
- **Refunds:** Submit refunds on a separate repair line.
 - Program Code: 22S26 - Misc. Expense: ADMIN
 - Misc. Expense: REFUND - Misc. Expense: 0.2 Hrs.
 - Multiple refunds should be submitted on one repair line and the invoice details for each repair should be detailed in the comments section of the claim.
- **Lincoln Pickup & Delivery:** Claims for Lincoln Pickup & Delivery with a Lincoln loaner (up to 2 days) should be submitted on a separate line from the FSA. Refer to EFC08708, 2021 Lincoln Pickup & Delivery Updates for details.

 2020-2022 Super Duty, and 2020-2021 Navigator Vehicles.
 Both Front Wiper Arm Replacement

Parts are not yet available to repair all vehicles. Until parts are available to repair all vehicles, dealers may only order parts and repair vehicles, which are customer-owned vehicles currently in the dealership.

PARTS REQUIREMENTS / ORDERING INFORMATION

SSSC Web Contact Site:

To place an order for the wiper arms, for customer-owned vehicles currently in the dealership with an inoperable wiper arm and open RO, submit a VIN-specific Part Order contact via the SSSC Web Contact Site.

Seed Stock:

To ensure an equitable distribution of service parts, all Wiper Arm part numbers listed below will be seed stocked.

1. Effective immediately, Wiper Arms will be provided through the seed stock program.
2. The quantity shipped to each dealer will be equal to a percentage of the vehicles assigned to them.
3. *Due to current supply-chain constraints, dealers began to receive seed stock in late June 2022. Timing of the second and sequential seed stocks will follow as parts are available.*
4. The SSSC will **only** accept orders if:
 - a. The dealer is out of seed stock and:
 - i. The vehicle is currently at the dealership with an inoperable wiper arm.
 - ii. The dealer has an open RO on the VIN with an inoperable wiper arm.

Part Number	Description	Order Quantity	Claim Quantity
FL3Z-17527-A	Left Front Wiper Arm	1	1
FL3Z-17526-A	Right Front Wiper Arm	1	1

Dealers will be notified via a DOES II communication if circumstances warrant a change in part supply strategy and when open ordering resumes.

Order the parts below through normal order processing channels only if the vehicle arrives at the dealership with the wiper arm missing:

Part Number	Description	Order Quantity	Claim Quantity
*KL3Z-17528-AA	Genuine OEM Wiper Blade (if wiper arm was missing)	Up to 2	Up to 2
Obtain Locally	Loctite Shoe Glue (Can only be claimed with labor op 22S26BB One tube can service multiple vehicles)	Claim as MISC. OTHER up to \$9.00	

*NOTE: Motorcraft (WW2248A) wiper blades can be used as replacement if genuine parts are not available.

2020-2022 Super Duty, and 2020-2021 Navigator Vehicles.
Both Front Wiper Arm Replacement

DEALER PRICE

For latest prices, refer to DOES II.

PARTS RETENTION, RETURN, & SCRAPPING

Follow the provisions of the Warranty and Policy Manual, Section 1 - WARRANTY PARTS RETENTION AND RETURN POLICIES. If a replaced part receives a scrap disposition, the part must be scrapped in accordance with all applicable local, state, and federal environmental protection and hazardous material regulations. Federal law prohibits selling motor vehicle parts or components that are under safety, compliance, or emissions recall.

REPLACED FSA PARTS INSPECTION AND SIGN OFF

Effective March 1st, 2021 all parts replaced as part of an FSA repair with a repair order open date of March 1st, 2021 or later must be inspected and signed off on the repair order by a member of your dealers fixed operations management team or an employee the task has been delegated to. If the task is to be delegated to a non-management employee, the employee needs to be someone other than the technician who completed the repair and needs to understand the importance of completing this task consistently and accurately.

- All parts replaced as part of an FSA repair should be returned to the parts department following the Warranty Parts Retention and Return Policies.
- Inspect the replaced parts to verify the FSA repair was completed.
- If the FSA repair is found to be complete, the designated employee signs the repair order line or parts return stamp area (electronic or hand signed) for the FSA repair indicating the parts were inspected and validated to have been replaced.
- After the parts have been inspected, they should be handled based on the guidance in the parts status report in the Online Warranty System (Hold, Return, CORE, Scrap, etc.).
- This process is subject to review during warranty audits for FSA repairs with a repair order open date of March 1st, 2021, or later. Any eligible FSA claims requiring parts replacement found not to have been inspected and signed off during a warranty audit will be subject to chargeback and consideration for enrollment into the Dealer Incomplete Recall Repair Process.

Note: Other approvals (electronic or handwritten) for add-on repair lines, dealer owned vehicle repairs, and repeat repairs do not qualify as FSA parts inspection approvals. The post repair FSA parts inspection process (electronic or handwritten) is independent from other warranty approval requirements. The approval by the designated employee implies that the FSA parts were found to be replaced and must be able to be clearly identified on the Repair Order. If multiple FSA's require approval on a single Repair Order, each applicable occurrence will require individual post repair approval by the designated employee.

CERTAIN 2020-2021 MODEL YEAR EXPEDITION , 2020-2021 MODEL YEAR F-150, 2020-2021 NAVIGATOR, AND 2020-2022 SUPER DUTY VEHICLES BOTH FRONT WIPER ARM REPLACEMENT

SERVICE PROCEDURE

1. Is vehicle's manufacture build date on or after June 7, 2021?
Yes - Proceed to Step 2.
No - Replace wiper arms. Please follow Workshop Manual (WSM) procedures in Section 501-16
2. Remove the left-hand side wiper arm. Please follow WSM procedures in Section 501-16.
3. Looking inside the arm head, locate the date code wheel. See Figure 1.

FIGURE 1

4. Using a camera or cell phone, photograph the date code wheel on the wiper arm. Regardless of pass or fail status the pictures will need to be submitted through Report a Problem in PTS.

See page 2 for instructions for using PTS (Report a Vehicle Concern).

5. If the date code wheel has a 19 with 12 dots or a 21 with 5 or more dots, then the wiper arm is considered good. Refer to Figure 1. Does the wiper arm meet this criteria?
Yes - Wiper arm passes, reinstall wiper arm. Please follow WSM procedures in Section 501-16.
No - Wiper arm fails. Replace wiper arm.
6. Repeat steps 3-5 for right-hand side wiper arm.

Using Web Based “Report a Vehicle Concern”

- Access report entry form from link in PTS (Report a Vehicle Concern) or directly at: <https://www.gcr.dealerconnection.com/asp/FordDealerMenu.asp>
- Ensure that your “User Profile” is added/updated to include your STARS ID. This can be done by accessing your User Profile from the Global Concern Reporting Main Menu or directly at: <https://www.gcr.dealerconnection.com/asp/DealerProfile.asp>
- After completing the report entry form and submitting your report, you can upload a maximum of 5 attachments at once. The attachments must be saved to the drive on your PC you’re using.

Using Mobile PTS “Report a Vehicle Concern”

IMPORTANT - If you have never used the Web-Based report a vehicle concern- you will need to create your User Profile prior to accessing “Report a Vehicle Concern” on Mobile PTS.

Ensure that your “User Profile” is added/updated to include your STARS ID. This can be done by accessing your User Profile directly at:

<https://www.gcr.dealerconnection.com/asp/DealerProfile.asp> ;

You can access Mobile PTS using your mobile device at:

<https://m.fordtechservice.dealerconnection.com/> or the following QR code:

After completing the report entry form you can upload a maximum of 5 attachments at once.

- If submitting more than one attachment (photo), the files must be saved to the mobile device you’re using, PRIOR to submitting the report.
- If submitting one attachment (photo), you can capture the photo during the report submission when asked to add the attachment.

CERTAIN 2020-2021 MODEL YEAR EXPEDITION, F-150, AND NAVIGATOR VEHICLES AND 2020-2022 SUPER DUTY VEHICLES

INTERIM SERVICE PROCEDURE

NOTE: Only perform interim repair if wiper arms failed inspection and new wiper arms are not available.

1. Remove the wiper arms. Please follow Workshop Manual (WSM) procedures in Section 501-16.
2. Inspect the wiper arm head for the key. See Figure 1. Is the wiper key present?
Yes - Continue to Step 3.
No - Continue to Step 9.

FIGURE 1

3. Clean the wiper head area and key with rubbing alcohol and let it dry before applying the glue.
See Figure 2.

FIGURE 2

4. Place glue over key and onto wiper arm head so as to create a strap of glue. See Figure 3.

FIGURE 3

5. Lay wiper arms so that they are flat to allow the adhesive to dry for 24-hours. See Figure 4.

FIGURE 4

6. Verify that the adhesive is dry after the 24-hour dry time.

7. Install the wiper arms. Please follow WSM procedures in Section 501-16.

8. Verify functionality of wipers by running them for 30 seconds on high.

9. Check the cowl vent grille for the wiper arm key. See Figure 5. Was it located?

Yes - Continue to Step 10.

No - Reinstall wiper blades per WSM procedures in Section 501-16, wait for new wiper arms to be available.

FIGURE 5

10. Clean the wiper head area and key with rubbing alcohol and let it dry before applying the glue.
See Figure 6.

FIGURE 6

11. Insert key into the wiper arm head. If necessary use a small hammer to tap it in. Key does not sit flush with the head. See Figure 7.

NOTE: Tapered end needs to be inserted first into the head.

FIGURE 7

12. Place glue over key and onto wiper arm head so as to create a strap of glue. See Figure 8.

FIGURE 8

13. Lay wiper arms so that they are flat to allow the adhesive to dry for 24-hours. See Figure 9.

FIGURE 9

14. Verify that the adhesive is dry after the 24-hour dry time.

15. Install the wiper arms. Please follow WSM procedures in Section 501-16.

16. Verify functionality of wipers by running them for 30 seconds on high.

Ford Motor Company
Recall Reimbursement Plan for 22S26

Ford and Lincoln dealers are in the best position to quickly and efficiently process reimbursement requests. However, federal legislation requires all motor vehicle manufacturers to establish processes through which customers may seek recall reimbursement directly from the manufacturer or from the dealers.

Regarding the specific reimbursement plan for Recall # 22S26, owners who have paid for service to remedy the defect or noncompliance must have had that service performed prior to June 6, 2022. After this date, if repairs related to this recall are performed by a non-Ford repair facility in an emergency situation, customers must submit any refund requests through their dealership. As required by this federal regulation, Ford Motor Company submitted the details of its latest General Recall Reimbursement Plan in a letter to the National Highway Traffic Safety Administration (NHTSA) in April 2022. The following is the text of that letter and the Plan:

General Recall Reimbursement Plan
(As submitted to the NHTSA)

Pursuant to the requirements set forth in 49 CFR Part 573 and Part 577 of the Code of Federal Regulations, Ford Motor Company (Ford) is submitting required information pertaining to our general reimbursement plan for the cost of remedies paid for by vehicle owners before they are notified of a related safety recall.

Set forth below is Ford's general plan to reimburse owners and purchasers for costs incurred for remedies in advance of notification of potential safety related defects or noncompliance's pursuant to Part 573.6 (c)(8)(i). This plan has not changed since our February 20, 2019 submission.

Reimbursement Notification

Ford's notice to a vehicle owner in accordance with 49 CFR Part 577 will indicate that Ford is offering a refund if the owner paid to have service to remedy the defect or noncompliance prior to a specified ending date. In accordance with Part 573.13 (c)(2), this ending date will be defined as a minimum of ten calendar days after the date on which Ford mailed the last of its Part 577 notifications to owners and will be indicated in the specific reimbursement plan available to owners for an individual recall. This notice will direct owners to seek eligible reimbursement through authorized dealers or, at their option, directly through Ford at the following address:

Ford Motor Company
P.O. Box 6251
Dearborn, MI 48121-6251

Ford notes that this rule allows for the identification of a beginning date for reimbursement eligibility. Under the rule, an owner who paid to remedy the defect or noncompliance prior to the identified beginning date would not be eligible for reimbursement. Ford generally has not established such a beginning date for reimbursement eligibility and does not presently anticipate changing this general policy. However, in any case where Ford determines a beginning date is appropriate, Ford will indicate that date in the owner notice. As permitted by 577.11(e), Ford may not include a reimbursement notification when all vehicles are well within the warranty period, subject to approval by the agency.

Version 04-23-19

Costs to be Reimbursed

For vehicles, reimbursement will not be less than the lesser of:

- The amount paid by the owner for the remedy that specifically addressed and was reasonably necessary to correct the defect or noncompliance that is the subject of the recall, or
- The cost of parts for the remedy (to be no more than the manufacturer's list retail price for authorized part(s), plus associated labor at local labor rates, miscellaneous fees (such as disposal of waste) and taxes.

For replacement equipment, reimbursement will be the amount paid by the owner for the replacement item (limited by the amount of the retail list price of the defective or noncompliant item that was replaced, plus taxes, where the brand or model purchased by the owner was different than the brand or model that was the subject of the recall). If the item of motor vehicle equipment was repaired, the reimbursement provisions identified above for vehicles will apply.

Ford notes that costs incurred by the owner within the period during which Ford's original or extended warranty would have provided for a free repair of the problem will not be eligible for reimbursement, as provided by Part 573.13 (d)(1).

Entities Authorized to Provide Reimbursement

Ford will continue to use authorized dealers to reimburse owners under the specific reimbursement plans for a particular recall, and will encourage owners to pursue requests for reimbursement directly through dealers to expedite reimbursement. Ford will also provide a mailing address to which customers can, at their option, send requests for reimbursement directly to Ford, as previously noted. Requests for reimbursement sent directly to Ford may take up to 60 days to process. Whether the owner chooses to pursue reimbursement requests through a dealer or directly through Ford, the owner will be directed to submit the required documentation, upon which reimbursement eligibility will be determined.

Required Documentation

The reimbursement determination will depend upon the information provided by the customer. Consistent with Part 573.13 (d)(4) the following information must be submitted:

- Claimant name and address
- Vehicle make, model, and model year
- Vehicle identification number (VIN) and, for replacement equipment, a description of such equipment or, for tires, the model, size and TIN (DOT code)
- Identification of the recall number (either the Ford recall number or the NHTSA recall number)
- Identification of the owner of the recalled vehicle at the time that the pre-notification remedy was obtained
- An original receipt for the pre-notification remedy that includes a breakdown of the amount for parts, labor, other costs and taxes, including costs for the replacement item. Where the receipt covers work other than to address the recall or noncompliance, Ford may require the claimant to separately identify costs that are eligible for reimbursement.
- If the remedy was obtained during the warranty period, documentation indicating that the warranty was not honored, or the warranty repair did not correct the problem related to the recall.

Failure to submit all of the above information may result in denial of the reimbursement request.

Version 04-23-19

Additional Information

The Part 577 required owner notice will provide a toll-free telephone number through which specific information about the reimbursement plan can be requested from Ford. This general reimbursement plan will be incorporated into notifications pursuant to Part 573.6 by reference. Information specific
