

## Recall 225 Email Notice:

[Web version](#)

##customer\_first\_name##,

A Safety Recall has been issued on your ##model\_year## ##model\_short\_name##'s Hydrogen Gas Sensor.

Recall ##campaign\_number## Remedy Available

This notice applies to your vehicle, VIN: ##VIN##

### What is the problem?

The hydrogen gas detection sensors in the subject vehicles may fail to detect leaks in the hydrogen gas delivery system. A hydrogen gas leak could increase the **risk of a vehicle fire while parked or driving.**

Our records indicate that your vehicle is affected.

Hyundai advises owners to park their vehicles outside and away from structures until the recall repair is completed.

### What will Hyundai do?

Your Hyundai dealer will replace all three (3) hydrogen gas detection sensors in your vehicle. This procedure will be performed at **NO CHARGE.**

To ensure your safety and the quality of your vehicle, **please schedule an appointment with a Hyundai dealer as soon as possible to complete the remedy procedure.**
