22V-266

Subject: Baggage Compartment May Become Overloaded

Dear Ms. Wolfe:

This letter serves to acknowledge Triple E Recreational Vehicles's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRIPLE E RV/WONDER/2021-2022

Mfr's Report Date: April 19, 2022

NHTSA Campaign Number: 22V-266

Components:

EQUIPMENT:OTHER:LABELS
EQUIPMENT:RECREATIONAL VEHICLE/TRAILER

Potential Number of Units Affected: 119

Problem Description:

Triple E Recreational Vehicles (Triple E) is recalling certain 2021-2022 Wonder W24RL recreational vehicles. The weight decal installed on the front driver-side baggage compartment door states an incorrect weight of 500 lbs, which exceeds the weight limit for the storage compartment.

Consequence:

Overloading the storage compartment can allow items to fall onto the roadway, increasing the risk of a crash.

Remedy:

Dealers will provide a new corrected weight decal, free of charge. Owner notification letters are expected to be mailed in April 2022. Owners may contact Triple E customer service at 1-877-992-9906. Triple E's number for this recall is CA#10090-1.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

We have received Triple E's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Triple E Recreational Vehicles's contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
