

IMPORTANT SAFETY RECALL

NHTSA Recall # 22V-273

TC Recall # 2022-206

Tiffin Recall # TIF-122

May 31, 2022

Defective Slide-Room Cylinders

Dear Tiffin Motorhome Dealer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: **2021 Allegro Open Roads, 34PA and 36UA floorplans only, and 2022 Allegro Open Roads, all floorplans.**

Tiffin Motorhomes has become aware of the possibility that on these motorhomes, the hydraulic cylinder that moves certain slide-rooms may have a defective inner seal. If a hydraulic cylinder has a defective inner seal, it is possible the slide-room could extend from the motorhome on its own 6-8 inches while parked after non-use, or possibly, while in transit. Please note that there is an acceptable relaxation tolerance of ½ to 1 inch. This recall is for movement beyond this tolerance. A slide room that were to extend unintentionally 6-8 inches during transit can increase the risks of a crash.

Tiffin Motorhomes will have the defective cylinders replaced with a new cylinder that have an updated inner seal.

Owners will be notified by mail about the recall and will be instructed to take their motorhome to a reputable service center **OR** dealer of **their** choice to have this correction completed. Tiffin is allowing 1 hour for the repair of the 32SA, 32FA, 36LA and 36UA floorplans and up to 3 hours for the 34PA floorplan. There is no cost to owners for this recall. Once an owner's appointment has been made, please contact Tiffin Motorhomes to order the repair kit indicated on the instructions for the floorplan of the owner's unit so that the parts will be available when the owner arrives for their appointment. Inspection is not needed to order the recall parts; all involved motorhomes will need the new slide-room cylinders installed.

To verify a motorhome's involvement in this recall, please visit our website, TiffinMotorhomes.com. Choose the "Dealer Login" page and click on "Vehicle Recall Lookup" and enter the complete 17-digit VIN number. No login or password is needed. To view work instructions, please click on "Flat Rate Manual" and choose RECALL for

Model and Section, scroll down to the NHTSA recall number for the recall you are looking for and choose "Show Files" and then download the work instructions.

Please be reminded that it is a violation of Federal law for you to sell or lease any new Allegro Open Road Motorhome covered by this notification until this recall has been performed on the motorhome. Substantial civil penalties apply to violations of this law.

We regret any inconvenience this action may cause, but feel certain you understand our interest in motor vehicle safety.
