Defective Slide-Room Cylinders

Dear Tiffin Motorhome Owner or Dealer,

For US Owners: This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. **For Canadian Owners:** This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: **2021 Allegro Open Roads, 34PA and 36UA floorplans only, and 2022 Allegro Open Roads, all floorplans.**

Tiffin Motorhomes has become aware of the possibility that on these motorhomes, the hydraulic cylinder that moves certain slide-rooms may have a defective inner seal. If a hydraulic cylinder has a defective inner seal, it is possible the slide-room could extend from the motorhome on its own 6-8 inches while parked after non-use, or possibly, while in transit. Please note that there is an acceptable relaxation tolerance of ½ to 1 inch. This recall is for movement beyond this tolerance. A slide room that were to extend unintentionally during transit can increase the risks of a crash.

Tiffin Motorhomes will have the defective cylinders replaced with a new cylinder that have an updated inner seal.

Please arrange to take your motorhome to a **reputable service center OR dealer of your choice** to have the correction completed. The recall repair will take approximately 1 hour for the majority of floorplans or up to 3 hours for all 34PA floorplans and will be completed at no charge to you, the owner. If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin

Motorhomes will not pay over the allowed time unless the repair facility receives a prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or service@tiffinmotorhomes.com.

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.
